Dear Sponsor

RE: Sponsorship Opportunities – GET INTO RESOURCES

Get Into Resources (GIR) is thrilled to announce its annual event, taking place at the North Metropolitan TAFE. As a registered not-for-profit organisation with the Australian Charities and Not-for-Profits Commission, GIR remains dedicated to promoting careers in the resources sector to high school students through an engaging program of presentations, activities, and dialogue with industry professionals.

The event is designed for Year 10 students, aligning with their syllabus requirements to assist in making informed subject choices for senior school. By providing exposure to various career options—such as geologists, metallurgists, environmental scientists, engineers, technicians, and tradespeople—GIR helps students explore opportunities in the resources sector prior to tertiary education. The event is fully catered, creating a welcoming environment for students to engage with professionals and peers.

Over its 14-year history, GIR has consistently evolved based on positive feedback, with the committee enhancing the event annually since its debut in 2012. This unique collaboration between Western Australia's resources and education sectors continues to inspire students and build a future talent pipeline for the industry.

We invite **your organisation** to support GIR through sponsorship, joining an esteemed group of industry and educational leaders. This year, we are offering Diamond Sponsors the exclusive opportunity to nominate a school - local to their operations - to attend GIR. As an industry partner, sponsors will play a vital role in facilitating the nominated school's participation, fostering engagement with future professionals.

Sponsorship incentives are designed to increase visibility for your organisation, both during the event and through social media campaigns extending up to 11 months post-event. We've attached a flyer outlining the sponsorship opportunities for your review and would be delighted to discuss any aspect of the offer further.

Thank you for considering this opportunity to inspire and educate the next generation of resources professionals. We look forward to **your organisation's** support in making GIR event a success.

Yours sincerely,

Jade Singleton

STEP #3 Please indicate the following preference:

- Will you require a Booth on all three days for promoting your organisation? [subject to availability for gold, silver, bronze sponsor levels]
- Would you like to place a Corporate Promotional Item and information flyer in the Student Showbag? [Supplied by sponsor at sponsor's cost]
- Diamond Sponsors only - Would you like a representative of your organisation present 10-minute presentation on their Resources industry journey? [subject to first-committed, first served basis]

STEP #4 Are you able to host prize winning students?

As part of the Get Into Resources event students will participate in a GIR Quiz. In previous years, sponsoring companies have offered an educational / industry site visit prize (sponsor funded) to the winning students of the quiz.

- Are you able to facilitate an opportunity for winning students to attend an educational / industrial visit (e.g. site visit for ~6 students, all expenses paid by Sponsoring company)? Please provide brief details of prize offering and key considerations.

STEP #5 Finally, please check the total, sign, date and submit this form back to treasurer@getintoresources.com

The Company identified ("Sponsor") applies to the Get Into Resources Committee ("Organiser") for this Marketing Promotional and Incentives Opportunity ("MPIO") at the Get Into Resources event.

We understand that certain MPIO's may be limited and subject to availability. Final MPIO assignments are made by the Organiser and will occur only after full payment has been received. Refer to the Get Into Resources Sponsorship Opportunities Flyer for the full description of each MPIO.

I have read and agree to the Pledge and will pay the Total MPIO Fee. I am authorised to execute this Pledge for the Sponsor.
